To Our Guests:

Thank you for joining us today! Our prayer in this ministry is, "All who enter do so by Divine Appointment." Those who come receive a blessing and give one to others as well.

Our mission is: "We are a heart-centered spiritual community dedicated to empowering personal growth and living the unlimited possibilities of Spirit."

We are "A Living Church" and for us, this means the power lies in the hands of the congregation. Each person is free to determine their own spiritual path, granted total freedom in their pursuit, and in return, grants this freedom to others. We invite each member to take responsibility, to share his or her gifts, and to co-create the organization with us. In other words, this is a Participatory Ministry that offers a therapeutic, healing community. We provide a safe space and invite you to share your experiences with us.

Our teaching is based upon the following Unity principles:

- There is one God who is all good and active in everything, everywhere.
- We are Spiritual beings having a human experience. We are created in God's image hence we, and all others, are naturally good.
- We create our experiences by what we choose to think and what we feel and believe.
- Through affirmative prayer and meditation, we connect with God and bring out the good in our lives and in the lives of others.
- We practice these principles daily by doing and giving our best. We make a positive difference!

Please review our website to find more details on our organization, small groups, classes, and outreach activities. You can also open our YouTube Channel and view past Sunday talks plus view our Facebook page for uplifting posts and announcements.

We'd love to stay in touch with you. To receive our weekly email updates and monthly email newsletter email me RevBrian.Walker@gmail.com and I will add you to the mailing list.

We hope you will visit us again soon. You have given us a great gift by your presence here today.

Blessings,
Rev. Brian Walker

Unity Worldwide Ministries

Unity is an affirmative, practical Spirituality. We teach the practical application in everyday life of the principles of Truth taught and exemplified by Jesus and other Masters. As interpreted in the light of modern-day experience by Unity Institute (School) and the Unity Worldwide Ministries, Unity is a way of life that leads to health, prosperity, happiness, and peace of mind. Unity Worldwide Ministries, in cooperation with Unity Institute, has established centers of study and worship throughout the world.

What Are Unity's Teachings?

We encourage you to explore and apply Unity teachings based on your own spiritual understanding. We believe this understanding is enhanced through reflective prayer and meditation. The five basic ideas that make up the Unity belief system are:

1. God (our higher Spiritual power) is the source and creator of all. There is no other enduring power. Our higher Source is good and present everywhere.
2. We are spiritual beings. That higher power lives within each person; therefore, all people are inherently good.
3. We create our life experiences through our way of thinking.
4. There is power in affirmative prayer, which strengthens our connection to Source.
5. Knowledge of these principles is not enough. We must live them.

Unity's Impact on Your Life

As you begin your journey from this day forward, what will you bring into it? Will it be an optimistic attitude and faith to live each day in the awareness of our Spiritual source? Or will you carry the emotional baggage of the past? The choice is yours. When you ponder your goals and aspirations, take a moment to close your eyes and do an internal self-check. Is there discontent about some area of your life? This discontent could be your subconscious making you aware that a change is needed.

Unity is an affirmative, practical belief system. The encouraging path that Unity provides, allows different choices for a new way of life.
