

Unity-Five Cities Membership Declaration

My life is aligned with the basic teachings of Unity which I understand are based on the life and teachings of Jesus, and also honors all authentic spiritual traditions.

My spiritual enfoldment and relationship with God is a priority in my life in alignment with our mission statement: We are a heart-centered spiritual community dedicated to empowering personal growth and living the unlimited possibilities of Spirit

I will endeavor to:

- do my part to support the mission through inspiring, educating, serving, and creating a Unity community.
- join my fellow members and congregants in participating in the creation of a loving, accepting atmosphere.
- extend myself with loving warmth to newcomers to my spiritual community and to those people attending whom I do not know.
- include the Unity community in my prayer life.
- include Unity-Five Cities in my financial planning, giving joyfully and lovingly according to the guidance of my heart.
- serve as a volunteer at least periodically, thereby honoring one of my deepest needs- to give of my time and talents.
- speak with constructive purpose about Unity-Five Cities and my fellow congregants. If I experience personal upset with this ministry or a congregant, I will seek guidance from Spirit, then speak with and resolve any upset with the person(s) involved.
- recognize that my presence and participation at Sunday services and other activities is a contribution and gift that enhances the experience of all.

Together with my fellow members and congregants, I am co-creating with God the ongoing dynamic life of this ministry. I recognize that together we help to keep its doors open and expand its programs and services, thereby blessing and serving each other. Through membership, I honor the Spirit in myself and the Spirit at work through Unity-Five Cities.
